

RIVENDELL SCHOOL

PARENT- SCHOOL LETTER OF UNDERSTANDING REGARDING RIVENDELL SCHOOL COVID-19 PROTOCOLS

Child's Name _____

Date _____

We/I understand and agree to follow the Rivendell School COVID-19 protocols for the 2022-2023 School Year. These protocols are subject to change based on the most recent guidance from the CDC and New York State and City Health Departments. Rivendell School reserves the right to impose more stringent regulations than those of city, state and federal agencies to guard the safety of students and staff.

We/I agree to test our child at the beginning of each school week and present or send in the results before arrival. Before each school day we/I agree to monitor our health, the health of our children, and other members of our household for COVID-19 symptoms. We/I will notify Rivendell School if anyone in the household tests positive for COVID-19.

We/I understand that all eligible students enrolled at Rivendell School must begin their course of the COVID-19 vaccination so that they will be up to date by November 15, 2022.

We/I will notify the Preschool of any travel plans and follow any travel advisory put forth from the CDC/City & State Health Department that is in place.

If parents are permitted at the Preschool for any part of the day, we agree to follow any protocols in place.

We/I will think carefully and responsibly about our family health decisions outside of the Preschool environment, understanding that our/my decisions may impact other families, children and staff. We/I understand that we will be kept fully informed about any changes to the Rivendell School COVID-19 Protocols.
