

RIVENDELL SCHOOL

**PARENT- SCHOOL LETTER OF UNDERSTANDING REGARDING
RIVENDELL SCHOOL COVID-19 PROTOCOLS**

Child's Name _____

Date _____

We/I understand and agree to follow the Rivendell School COVID-19 protocols for the 2021-2022 School Year. These protocols are subject to change based on the most recent guidance from the CDC and New York State and City Health Departments. Rivendell School reserves the right to impose more stringent regulations than those of city, state and federal agencies to guard the safety of students and staff.

Before each school day we/I agree to monitor our health, the health of our children, and other members of our household for COVID-19 symptoms, such as fever, cough, shortness of breath, chills, muscle pain, sore throat and new loss of taste or smell. We/I will notify Rivendell School if anyone in the household is sick or has any of these symptoms in advance of the school day.

We/I will notify the Preschool if any of the following occur for any member of my household:

- Testing positive for COVID-19 in the past 14 days
- Being told by a doctor or the NYC Health Department representative to remain home due to COVID-19
- Quarantine based on the New York State COVID-19 travel advisory (<http://coronavirus.health.ny.gov/covid-19-travel-advisory>)

My child will wear a face covering at Preschool unless it is not medically or developmentally appropriate. If we/I am to remain at the preschool for any part of the day, we/I agree to wear a face covering, wash our hands thoroughly upon arrival and before leaving the School and while on site to stay socially distant from other adults and children.

We/I will think carefully and responsibly about our family health decisions outside of the Preschool environment, understanding that our/my decisions may impact other families, children and staff.
